## A slide in vertical style

Here you can see that the `vertical` style has a vertical line on the left with the logo in white and the name of the university on the title (see previous slide).

The slogan can be english or norwegian depending on the `slogan=` option. Here it is set to `english`

The slide number can also have the total number of slides setting `frametotal=true`, as you can see here (the default is `false`).
